

Minutes

North Texas Chapter International Code Council- Regular Business Meeting – **September 26, 2008**
Grapevine, Texas

The meeting was called to order by Vice - President Selso Mata

INTRODUCTIONS

- Kurt Kasson, Building Official for Euless, introduced Brian McGarry, as the honored Employee of the Month. Kurt spoke on Brian's help recently serving on the pool entrapment committee and the outstanding work he performs daily. Congratulations Brian!
- Lonnie Erwin of Dallas told the chapter of the PMB North Texas Chapter and their monthly meetings. He encouraged all to attend this new forum for plumbing and mechanical inspectors. Send your plumb/mech. inspectors to the meetings. They will be posted on our website.
- Ravi Shah was introduced as our newly elected ICC Board of Director. Ravi discussed his plans for ICC and raising the profile of the Building Official. He is looking into licensing for Building Officials as an enhanced requirement beyond CBO certification and he discussed his experiences meeting the ICC Board. Ravi thanked the chapter for their support. Congratulations Ravi!
- Selso Mata, City of Plano told everyone about the website and how we will utilize it with information and reports. Check it out at www.ntcicc.org
- Kurt Kasson announced the coming officer elections in compliance with our 30 day notice.
- Rudy Garcia with the Brick Institute gave us an industry presentation on the recent and expected future failures of moderate weathering Mexican brick. His presentation and information will be forwarded to our website.
- Al Godwin, City of Fort Worth gave us an update on results from the code hearings. RB 64 was approved for sprinklers in all new homes beginning on January 1, 2011. An energy code amendment called the 30% solution failed but was approved in pieces spread out in the code. It will be a net effect of 20% above code.
- Lawrence Crow, City of Irving discussed the coming scramble golf tournament at Woodhaven C.C on October 27 and a small business meeting after to elect officers.
- Lawrence discussed the call for help in Galveston concerning Hurricane Ike. Ravi gave us an update of BOAT response and coordination of efforts for inspectors.
- Robert Chatham, City of Irving discussed the coming NTCICC Awards and Scholarships. He asked everyone to fill out the applications for consideration. The forms are on the website. Send them in to Robert.
- Kurt Kasson said a few words on the positive perception of the North Texas Chapter and Texas in general at the ICC ABM in Minneapolis. Ravi added to those comments agreeing that our NTC area was indeed well represented at the ABM.
- With no further business the meeting was adjourned.

Attest: _____
Selso Mata – Vice- President
