

NOTICE OF MEETING

The

North Texas Chapter International Code Council

Will Hold a Regular Meeting on:

Friday April 24, 2009
11:30 a.m.

Golden Corral
2605 E. Grapevine Mills Circle
Grapevine, Texas 76501

Buffet style lunch - \$10.00 per person (Meal is optional)

PROGRAM

1. Welcome – Call to Order – Approval of Minutes – SM, RC
2. Employee of Month–RC
3. Update on proposed Federal legislation pertaining to energy codes- Darren B. Meyers, ICC
Please join Darren Meyers, Technical Director for Energy Programs for an informative presentation highlighting how the American Recovery and Reinvestment Act can benefit building departments. Mr. Meyers will give an overview of the stimulus package, explain the process of applying for the available grant money, and clarify specifically how building departments and the State’s Energy Efficiency Legislation fit into this package. Don’t miss the opportunity to discover how your department can take advantage of available grant money, save and contribute to green collar jobs in code enforcement.
4. Update on proposed state legislation pertaining to energy codes- Bahman Yazdani, ESL
5. Program: Sustainability Ordinances
6. Other Business
7. Adjournment.
